

GET UP TO \$500 AIR CREDIT TO PALACE RESORTS ONLY AT LIBERTY TRAVEL

LIBERTY Travel continues its 2009 Summer Vacation Sale with an exclusive offer on vacations at Palace Resorts. Travelers who book a five-night stay at any all-inclusive Palace Resort in Mexico will receive up to \$500 air credit per room. Plus, at select resorts, guests will also receive \$200 credit towards golf and spa.

Valid on stays at 12 Palace Resorts located in Cancun, Isla Mujeres, Riviera Maya and Riviera Nayarit, the offer is good for \$250 air credit per person, max two per room, and applies to both adults and children.

Leading the list of properties is Xpu-Ha Palace in Riviera Maya, a 3.5-star resort where guests will receive the \$200 golf and spa credit. An added bonus for families, kids 12 and under stay and eat for free. Pricing starts at \$839 per person.

For adults traveling without kids, properties like the 4-star Sun Palace in Cancun cater exclusively to adults. Guests at Sun Palace receive a 25% discount on green fees, and couples are treated to a complimentary Romance Package that includes two 25-minute massages, petit fours in room and t-shirts. Pricing starts at \$945 per person.

Pricing for both includes airfare out of NYC and hotel transfers. Some dates and conditions apply.

In addition to drinks and dining, unlimited select tours are included at all 12 Palace properties. Tours range from snorkeling excursions and visits to Mayan ruins, to day trips at Wet N' Wild water park in Cancun.

"Lately, in every industry, there's been so much emphasis on price, value can sometimes get overlooked. It's great to be partnered with Palace Resorts on an exclusive offer that's about value, first and foremost," said Billy McDonough, President of Liberty Travel.

He added, "The prices are great, and you're going to save a lot with this offer. But it's the quality of the experience you're getting that really puts these vacations ahead of the pack."

The booking window for this exclusive offer is March 5-16, 2009, for travel from March 8 through December 23, 2009. However, availability is in limited supply and if previous years are any indication, it is expected to sell out well before the booking window closes.
