

## PUERTO RICO PUTS PRESSURE ON CARIBBEAN COMPETITION

Summer officially arrives this month, and the competition is heating up between the season's sought-after vacation destinations, especially in the Caribbean.

Curacao recently extended dates on their "Curacao Now" promotion, and the Puerto Rico Tourism Company is in the midst of summer promotion that gives visitors hundreds of dollars in savings.

From now until June 30, travelers will receive \$200 instant credit, a \$100 debit card, discounts on tours and one night free for every three nights they book at participating hotels in Puerto Rico.

The debit cards are valid for spending only in Puerto Rico and will be distributed by participating hotels, along with discount booklets for local tours.

Though this promotion arrives in time for the summer season and the booking window closes June 30, the travel window is open until December 20.

Travelers can visit [LibertyTravel.com](http://LibertyTravel.com) or call their nearest Liberty Travel Store at 1-877-Liberty for bookings, details, a list of participating hotels and complete terms and conditions.

Since the 1950s, the Caribbean island of Puerto Rico has been one of the most sought after vacation destinations for North Americans. Because it is self-governing, unincorporated territory of the United States, travelers do not need a passport to travel there.

Founded in 1951, Liberty Travel has been credited with pioneering the vacation package. Today, Liberty Travel is dedicated to giving travelers an "Unbeatable" experience with over 160 convenient store locations, the best Price Beat Guarantee in the travel industry, and a personal approach to booking travel. Liberty Travel is a part of the Australian-based Flight Centre Limited, one of the world's most successful travel groups.
