

GIVE ME THAT FILET-O-FISH – IN BARBADOS

During the second phase of 2009's "Best of Barbados" promotion, travelers who book at Liberty Travel can enjoy a bevy of added savings and vacation perks, including a \$25 voucher to the islands second most popular attraction: Oistins Fish Fry.

Held every Friday and Saturday night at the fishing market in Oistins, the Fish Fry draws hundreds of visitors and locals who gather to enjoy local dishes – fried and grilled fish, fish cakes, sweet potatoes, macaroni pie, coleslaw and more – cooked on the spot by local vendors.

Prices are inexpensive at the Fish Fry, making the \$25 voucher more than enough for a typical meal.

Local bands add to the lively atmosphere of the weekly event, which gets going in the early evening, around 6:00pm.

Other highlights of the "Best of Barbados" promotion include up to \$300 air credit per person, free nights, daily breakfast, a Barbados "passport" with on-island discount coupons, and a gourmet discount card.

Approximately two dozen resorts are participating in the promotion. Travelers can get a list of participating resorts by visiting LibertyTravel.com or calling 1-877-Liberty.

Offers vary between hotels, and conditions apply: A 5-night minimum stay is required for all-inclusive properties; a 7-night minimum stay is required for European Plan properties; vacations must be booked between June 8 – July 15, for travel from September 1 – December 17, 2009. Additional terms and conditions may apply.
