

## BOOK 'NOW' AND SAVE WITH NORWEGIAN CRUISE LINES

From June 17 – 19 cruisers who book with Liberty Travel can receive up to \$250 onboard credit per stateroom, as well as book at 50% reduced deposits and take advantage of incredible low rates on Norwegian Cruise Lines sailings.

While the three-day 'NOW Sale' urges cruisers to make their booking on short notice, cruisers have much more leeway with sailing dates, which range from late August to November.

Offers include:

\*A 5-night cruise through the Western Caribbean aboard the Norwegian Dawn from \$299 per person, sailing on November 15, 2009.

\*A 7-night cruise to the Mexican Riviera aboard the Norwegian Star from \$499 per person, sailing on October 3, 2009.

\*A 5-night cruise to Bermuda aboard the Norwegian Majesty from \$549 per person, sailing on August 23, 2009.

Onboard credit varies by room category. The \$250 credit per stateroom offer applies to bookings in the Villa category. Other onboard credit amounts include: \$25 for Inside Cabins, \$50 for Outside Cabins, \$75 for Balcony staterooms, and \$100 for Mini-Suites.

"We've had great success with two and three day sales like this in the past, and with Norwegian being one of the most popular cruise lines out there, we won't be surprised to see staterooms sell as fast as concert tickets," said a representative from Liberty Travel.

"We strongly recommend calling a travel consultant ASAP if you want to take advantage of these offers."

These offers are applicable to all published sailings with a few exceptions: The offer does not apply to Hawaii and Europe itineraries, one and two day cruises, or cruises aboard the Norwegian Epic, a new ship sailing in summer 2010.

Price points do not include airfare. Certain other restrictions, terms and conditions apply, and government imposed taxes and fees may apply. For complete details, travelers will need to contact a travel agent by calling 1-877-Liberty or by visiting LibertyTravel.com.
