

AT LIBERTY TRAVEL, GET FIRST PICKS ON THIS WINTER'S SKI GETAWAYS

Winter is a time when many travelers make like birds and head for warmer weather: Caribbean Islands, Mexico, Florida, and even Vegas.

But other travelers revel in the cold weather and the dusting of deep snow that it brings to some of North America's most majestic mountains.

This winter, whether you're looking forward to strapping on a pair of skis, getting on a snowboard, or just hanging out in the lodge and sipping hot chocolate, you don't have to wait to book: Liberty Travel is already promoting the first vacation packages for the upcoming winter season.

A few examples include:

*In Winter Park, Colorado: Round-trip airfare, four nights at Fraser Crossing and Foulder's Point, and a three-day lift ticket from \$659 per person.

*In Park City, Utah: Round-trip airfare, four nights at Park City Peaks Hotel, and a three-day lift ticket from \$835 per person.

*In Jackson Hole, Colorado: Round-trip airfare, four nights at Snow King Resort & Condos, and a three-day lift ticket from \$959 per person.

Pricing is based on double occupancy and roundtrip travel departing from New York City. Certain booking and travel dates apply. Additional taxes, government-imposed fees, terms and conditions may also apply.

Travelers can call 1.877.Liberty or inquire online at LibertyTravel.com for bookings and full terms and conditions.

While early bookings are not the trend at the moment, they still offer several advantages over booking closer to your travel dates.

Hotel rooms and seats on plane are always in limited quantity, and by booking early you get first choice of accommodation and have more flexibility with your flight times.

And the price you'll get will be just as affordable, or more affordable, than it will if you wait to the last minute.
